

## ALEXANDRIA GAZETTE

THURSDAY EVENING JANUARY 17.

THE CHESAPEAKE AND OHIO CANAL.—According to the report of the president of the Chesapeake and Ohio canal, the earnings are a little in excess of the cost of running it. They are hopelessly below the amount necessary to keep up its fixed charges, and it is only a question of time when it must be disposed of by lease or sold at auction to the highest bidder. The report states that every effort has been made to induce shippers to use the canal, and that the lowest possible rates have been fixed, but that owing to the low cost of transportation on the railroads it is impossible to meet such competition. The repair bonds issued under authority of the act of 1873 constitute a lien not only on the revenues of the canal, but on the canal itself. Default in the payment of three successive coupons entitles the holders of this mortgage to foreclose and sell the canal, and it now appears that four coupons remain unpaid, and that as a consequence the canal is now operated at the mere sufferance of those who own this mortgage. A controlling interest in these bonds is owned by the Baltimore and Ohio Railroad Company.

## The Alexandria Gazette.

The GAZETTE, chronologically, is in the NINETEENTH year of its existence and is not only the oldest paper in the State, but, with very few exceptions, in the country. Notwithstanding the fullness of its years, it has kept, and will continue to keep abreast of the times in all that pertains to a news paper, furnishing its readers daily with a perfect mirror of passing events, domestic and foreign. Its facilities for obtaining news as they increase are taken advantage of and used for the benefit of its readers, who are thus kept thoroughly posted as to all that is of interest politically, socially, financially and commercially. Special attention is given to matters concerning the State and its welfare, while its local columns contain all that is of the slightest interest to Alexandria. Its regular correspondence from Washington and Richmond are features of peculiar interest, as attested by the eagerness with which they are read and copied by other papers, while its editorial department, conducted with reference to the best interests of the city, State and country, will continue to advocate what is believed to be right, just, honest and patriotic. With a view to the interests of merchants, farmers, and all interested, its commercial columns are carefully edited and its market reports are acknowledged by all to be faithful and accurate. Through all this section of the State and in all parts of the country where Virginians have located, there will the GAZETTE generally be found, and thus as an advertising medium it has few equals outside the large cities. In the household, counting room and workshop, it is an ever welcome visitor, acceptable alike to old and young, the grave and the gay.

## THE GOLD MINING COMPANY.

LOCATION—MUSIC MOUNTAINS, MOHAVE COUNTY, ARIZONA.

(INCORPORATED UNDER THE LAWS OF WEST VIRGINIA.)

CAPITAL STOCK, ----- \$625,000.

NUMBER OF SHARES, 625,000, OF \$1 EACH. FULL PAID AND NON-ASSESSABLE.

OFFICERS.	DIRECTORS.
President, Hon. W. P. CANADAY, Washington, D. C.	Hon. M. C. BUTLER, Senator WILLIAM MAHONE.
Secretary, WILLIAM S. ODELL, Washington, D. C.	WILLIAM GRIMSTED, M. D. Hon. JOHN B. SHIPMAN.
Vice President, J. Q. BARTON, Maro Island Navy Yard, Cal.	Hon. CLARKE P. CRANDALL, Hon. W. P. CANADAY.
Treasurer, Hon. JOHN B. SHIPMAN, Washington, D. C.	JONATHAN Q. BARTON, U. S. N. BENJAMIN W. BROWNE
General Manager, CHAS. W. CUNNINGHAM, Hackberry, Arizona.	WILLIAM S. ODELL.

The capital stock of this company is \$625,000, divided into 625,000 shares of \$1 each.

The company is incorporated under the laws of West Virginia, and the stock is non-assessable, and carries with it no personal liability to the holder.

THE GOLD MINING COMPANY (location, Music Mountains, A. T.) is as sound a mining enterprise as was ever placed on the market, and its possibilities have never been exceeded. Every share should double in value within a year, and they may quadruple, as they are based on property that would ordinarily have been capitalized ten (10) times as great on account of its known richness and promise.

The shares are made small so that any one can invest. Subscriptions for five shares are as welcome as those for hundreds.

Every dollar of earnings will go to the stockholders in dividends, as there is nothing else that they can be used for.

A Wisewell mill, capacity 20 tons per day, with powerful machinery, has been purchased and will be on the ground ready for erection at the mine within the next thirty days.

The solid basis upon which the company is founded and the practical proofs of the richness of the mine have already secured the confidence of the public, and the stock has steadily advanced in selling value. Within the last few days bona fide sales have been made AT PAR.

There is no better stock on the market for a permanent investment. For full information in regard to this Mine apply to the
